

## ~4C Education Online Survey~

The 4C Education Department is requesting your assistance in completing the survey below.

We are assessing the interest in online training courses that may be used for a [National CDA](#), [In-Service](#), and [improving Job Skills](#) training courses. For example, a paraprofessional course entitled Learning Environments would be offered along with a job skills training course on Job Management. All of the training will be completed online. No books are required! Exams and activities would be mandatory to receive the training hours. Upon completion of the courses a certificate would be issued.

A proposed fee of \$25.00 would be charged per set. 14 sets will be offered in total, at 6 hours for each set. Students will have one month from the date the first course is opened to complete a set.

**Set Includes: 1 Paraprofessional Course & 1 Job Skill Course**
